MEMORANDUM FOR: Assistant Director for Operations

SUBJECT : Transportation of Employees from [REDACTED]

George:

1. The problem raised in your memorandum of 13 February 1957 is one that has plagued us for a long time and exists in many offices throughout the Agency. Attempts to do something to relieve the situation have been made on several different occasions to no avail.

2. In addition to the fact that we have no legal authority to do so, the practical problems we would face in providing door to door transportation to employees who work at night would be insurmountable.
